

FOSTER CARE MONTH

May is National Foster Care Month, a time to honor and support our network of foster families, children, volunteers, and staff. Methodist Foster Care (MFC) plays a vital role in providing a safe, loving environment for these children.

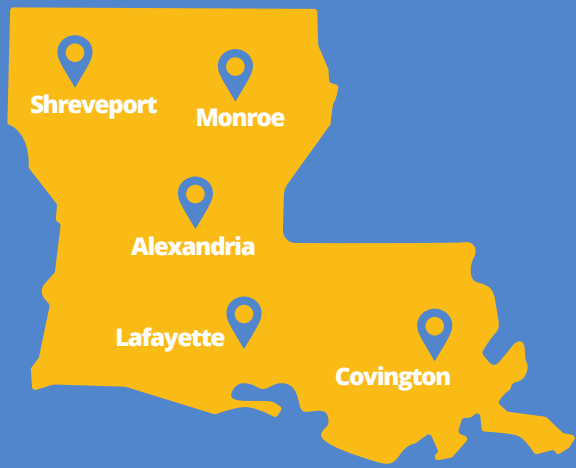

MFC supported over **100 foster families in 2024.**

MFC provided care to over **300 foster children in 2024.**

Methodist Foster Care

MFC is Louisiana's largest and most innovative therapeutic foster care agency.

Every day, countless remarkable individuals step forward to care for children in need, profoundly impacting their lives. Maravia Montgomery is one of the many heroes who has answered the call to foster: *"I used to be a foster child. I always said that when I was an adult, I would be a foster parent **just to give back.**"*

True to her word, Maravia and her husband answered the call, fostering more than 25 children. After 15 years of fostering, the Montgomerys adopted a foster child through Methodist Foster Care. Maravia's commitment and MFC's support have given this youth a forever home!

*"Out of all the agencies we've fostered with, I have to say **Methodist is our favorite.** If you have a problem, you can call them...and they're there! That's the reason [Methodist Foster Care] is my favorite."*

As the demand for homes rises, Louisiana's foster children need our help more than ever. Join us during National Foster Care Month to support Louisiana foster families, parents, and children. You can make a difference by supporting our Methodist Foster Care program through offerings at your church, organizing fundraisers, becoming a foster care parent, donating today, or spreading the word in May.

Together, let's create a brighter future for children in foster care.

*"Kids in foster care need the assurance that **they have a home and that they are loved.**"*
