

May is National Foster Care Awareness Month

Methodist Foster Care

A Program of Methodist Children's Home

May is National Foster Care Month, a time to recognize and support the incredible foster families, children, volunteers, and staff who make up our Methodist Foster Care community. Every day, countless remarkable individuals step forward to care for children in need, profoundly impacting their lives. For more than 10 years, Methodist Foster Care (MFC) has been dedicated to providing children with safe, loving homes.

Since 2015, Methodist Foster Care (MFC) has become Louisiana's leading provider of therapeutic foster care. We care for children who are desperate for unconditional love and shelter. The MFC program recruits, trains, certifies, and actively supports a statewide network of families providing TFC. Our offices are in Alexandria, Covington, Lafayette, Shreveport, and Monroe.

MFC Child Placement Worker Jasmine Nelson is one of many heroes who daily commit to caring for Louisiana's foster youth:

"I became a child placement worker because I was excited to help kids. I've always been around kids my whole life, even with my own children. I wanted to help children who didn't have a family, love, or the courage to know that Methodist Foster Care is really here for them. There are a lot of kids who are in need of foster care in Louisiana. We want to fill the need for a family, support, and care—because that will help kids thrive when they're older."

As the demand for homes rises, Louisiana's foster children need our help more than ever. Join us during National Foster Care Month to support Louisiana foster families, parents, and children. You can make a difference by supporting our Methodist Foster Care program through:

- COORDINATING CHURCH OFFERINGS
- BECOMING A FOSTER CARE PARENT
- DONATING TODAY

Every child deserves a safe, loving place to call "home." To learn how you can get involved in our mission, scan the QR code to visit our website.
